## CONGRATULATIONS CMCC GRAD!

*You are now ready to embark on your career as a chiropractor. This Jumpstart guide gives you helpful information and resources to get you started.*

Before you do anything else, take a moment to complete the checklist.

### NEW GRAD CHECKLIST!

Check off the boxes below in consecutive order before you start practising.

**CMCC Graduation**

**CCEB Board Exams**

**Chiropractic License**

**Join Your Provincial Association**  
Example: Ontario Chiropractors,  
visit [chiropractic.on.ca](http://chiropractic.on.ca)

**Join the CCA by Visiting**  
[chiropractium.ca](http://chiropractium.ca)

**Visit [ccpaonline.ca](http://ccpaonline.ca) to Apply for**  
**CCPA Professional Liability Coverage**

**Optional Steps (depending on your clinic setup**  
**and billing structure) See page 7**

Look on pages 7 and 8 for Steps to Take After Graduation – use it to put a plan together to keep you on track. Page 9 is a visual summary for what to do and when.

# STEPS TO TAKE AFTER GRADUATION

*Please follow these steps to ensure academic proficiency, regulatory board compliance and professional protection if practicing in Ontario. If practicing in another province, contact details for provincial associations are on page 4.*

## Step 1: Examinations

- Apply for CCEB exams. Visit [cceb.ca](http://cceb.ca) for instructions.
- [CCO Legislation and Ethics Examination Application](#)
- Take the CCEB and CCO examinations.
  - CCEB Written Examination
  - CCEB Clinical Examination
  - CCO Legislation and Ethics examination

**Did you know?** CCEB examination results take approximately six to eight weeks to process. Upon successful completion of the CCEB examination and CCO Legislation and Ethics Examination, CCO will send candidates an application form to be completed for membership.

## Step 2: For registration, apply to CCO or your provincial regulator

- Get familiar with the [key CCO registration requirements](#) and what the registration process involves.

**Prospective CCO members must first:**

- Graduate from an accredited chiropractic college (this requirement is non-exemptible)
- Successfully complete the Canadian Chiropractic Examining Board (CCEB) examinations
- Successfully complete CCO's Legislation and Ethics examinations.

## Step 3: Apply to OCA or your provincial association

- Visit [chiropractic.on.ca](http://chiropractic.on.ca) and click **Join Ontario Chiropractic Association** button on the home page. If you're an OCA Student Member,

# STEPS TO TAKE AFTER GRADUATION

log in to the **OCA Self-Serve Member Portal**, go to **Join Now** at top of page and follow the prompts. (Alternatively, join another provincial association if you're practising outside Ontario.)

- When you have your registration number from CCO, email it to [oca@chiropractic.on.ca](mailto:oca@chiropractic.on.ca) to complete your application process
- If you have questions, contact [oca@chiropractic.on.ca](mailto:oca@chiropractic.on.ca) or call at 416-860-0070. Toll-free: 1-877-327-2273

## Step 4: Apply to CCA

- Join now! Visit [chiropractium.ca](http://chiropractium.ca) and click **Join Now**, followed by clicking **“CCA Membership Application (New Graduate)”**
- If you have questions, contact CCA's Membership Team at [membership@chiropractic.ca](mailto:membership@chiropractic.ca) or call 1-877-222-9303/416-585-7902

## Step 5: Apply to CCPA

To qualify, ensure you meet these requirements:

- A Doctor of Chiropractic degree from an accredited chiropractic college, such as CMCC, UQTR or University of Western States
- Successful completion of the CCEB examination
- Licensure from your relevant provincial regulator
- Membership with the Canadian Chiropractic Association and your relevant provincial chiropractic association, such as the OCA
- Register for membership with CCPA. Visit [ccpaonline.ca](http://ccpaonline.ca) and click **“BECOME A CCPA MEMBER”** on the top right corner. Enter your college email address to get started.
- If you have questions, please call 416-781-5656 or 1-800-668-2076, or [admin@ccpaonline.ca](mailto:admin@ccpaonline.ca)

**Did you know?** CCPA protection is only available to chiropractors in Canada who are members of the CCA and their provincial chiropractic association.

## Optional Steps

- Register for **HST number**, **Telus Health**, **HCAI**, **WSIB MSK Program of Care**, set up **WSIB billing**, and apply for **OHIP billing number** (for X-ray requisitioning).

**CONGRATULATIONS!  
YOU ARE NOW A DC**

**Complete Canadian Chiropractic Examining Board (CCEB)  
Exams\***

\*Please disregard this step if you have previously completed the CCEB exams during your final year.

## STAYING ENGAGED WITH CMCC

*CMCC is committed to fostering a lifelong, mutually beneficial relationship with alumni throughout their professional careers as chiropractors, researchers and educators. This commitment includes the following:*

### Primary Contact

**Primary Contact** is a CMCC publication, distributed twice per year (via regular mail) to all chiropractors across Canada. It is also available on the [CMCC website](#). It provides updates on activities at CMCC such as new technologies, upcoming events, continuing education, alumni news and more.

### Annual Homecoming Celebrations

Reconnect with your classmates at Homecoming for a weekend of social activities and continuing education. We look forward to welcoming you back where you began.

### Backs in Motion Run/Walk The BackSwing Golf Tournament

These signature fundraising events usually take place in April and September respectively, and represent fun opportunities to remain connected with CMCC and to support the College at the same time.

# STAYING ENGAGED WITH CMCC

## CMCC Committees

There are a number of board committees that present a good opportunity to remain engaged with CMCC. Please contact [board@cmcc.ca](mailto:board@cmcc.ca).

## CMCC hosted events in your province

CMCC hosts events across the country which usually coincide with provincial conventions. This is a great opportunity to reconnect with CMCC and your colleagues.

## CHIROpportunities

Located in the Alumni and Friends section on the CMCC website, this online database of professional practice opportunities is a valuable resource which is updated on a regular basis.

# CMCC CONTINUING EDUCATION COURSES

***Attention new graduates! The following courses are designed to encourage chiropractors to improve patient care outcomes using the latest research and best practices in evidence-based methods.***

**Learn how to** evaluate an individual's physical capacities using Functional Capacity Evaluation. Analyze a medico-legal case to deduce best standards for patient care and avoid malpractice issues. Effectively communicate with patients using cognitive and behavioural strategies from a psychologically informed approach to care. Employ new pain management strategies and techniques using acupuncture and dry needling.

These engaging courses will allow new graduates to add more tools to their toolbox, enabling them to provide additional services in their clinics and increase their billing to insurers.

**These courses are available to new graduates at a discounted rate. Please reach out to [ce@cmcc.ca](mailto:ce@cmcc.ca) with the subject line "New Graduate Discount" for more information.**

To view more Continuing Education courses, please visit [ce.cmcc.ca](http://ce.cmcc.ca)

## Functional Capacity Evaluation Certificate Program

Join Mr. Cairns on **September 14** at CMCC Campus for a comprehensive exploration of Functional Capacity Evaluation (FCE). FCE is pivotal in evaluating an individual's physical capabilities in the context of specific job requirements. This course will enable learners to develop a holistic understanding of work assessments, enhancing their readiness for performing assessments for occupational health, insurers, vocational rehabilitation, and related fields

**Register now at [ce.cmcc.ca](http://ce.cmcc.ca)**

# CMCC CONTINUING EDUCATION COURSES

## CCS Conference 2024: A Medico-Legal Case Analysis

The CCS and CMCC invite participants to CMCC campus on **September 28** to play the expert witness and jury role during the trial! A medico-legal patient case will be presented involving a chiropractor who allegedly was involved in assessing and treating an older adult patient. Participants will help decide with our expert panelists if the chiropractic

management provided met current standards of care and if such management impacted the patient's outcome. **Register now at [ce.cmcc.ca](https://ce.cmcc.ca)**

## Psychologically-informed Practice

Collaboratively produced with New York University Langone Health, this 15-hour blended online course on Psychologically-informed Practice (PiP) will present clinicians with evidence-based methods to approach care that will result in better patient outcomes, especially for those at risk of developing prolonged pain and disability. This course will serve as a training tool to help clinicians identify the psychosocial obstacles their patients face and modify them using specific cognitive and behavioural strategies. **The next cohort begins on September 9 until October 7, 2024. Registration opens May 2024.**

## Functional Integrated Acupuncture Certificate Program

This 200-hour blended certificate program combines Eastern Traditional Chinese Medicine with Western Acupuncture concepts, along with a variety of Dry Needling techniques. This course was designed to improve treatment outcomes for patients with acute and chronic MSK conditions. Students will learn advanced needling techniques

for clinical practice with all patient types. **The next cohort begins on October 1 until November 24, 2024. Registration opens July 2024.**
