**PART 1:**

- Do you have a **FEVER** and/or **NEW ONSET OF COUGH** or **DIFFICULTY BREATHING?**

**PART 2:**

Where was this? \*

\*Health notices have been issued by WHO for persons returning from: China, France, Germany, Hong Kong, Iran, Italy, Japan, Singapore, South Korea and Spain.

If **YES** (PART 1) and **YES** (PART 2)

OR

If **NO** (PART 1) and **YES** (PART 2)

CALL US **BEFORE** YOU COME TO THE CLINIC.

[CLINIC PHONE NUMBER HERE]

**IMPORTANT NOTICED TO ALL PATIENTS:  
CALLING IN TO BOOK YOUR APPOINTMENT?**

**You will be asked the above series of screening questions.**

**If you answer “YES” to Part 1 & Part 2, or “NO” to Part 1 but “YES” to Part 2, DO NOT COME TO THE CLINIC** until our clinic staff check with your chiropractor about the next steps. Next steps could include a call to you from your chiropractor or coming into the clinic at a specific time (where we will take additional precautions) or you may be asked by your chiropractor to go to the nearest hospital Emergency department.

**Answering these screening questions honestly will help staff to do the right things to care for you and for the other people in the clinic at that time.**

**CHECKING IN (WALK-INS) FOR YOUR CHIROPRACTOR APPOINTMENT?**

**You will be asked the same series of questions.**

**If you answer “YES” to Part 1 & Part 2, or “NO” to Part 1 but “YES” to Part 2, you** will be asked to use hand sanitizer and put on a mask. You will be brought to an isolation room by staff. After a more extensive exam (over the phone most likely), your chiropractor will enter your room and provide the next steps with local public health authorities.

**We appreciate your help in this matter and look forward to keeping our clinic a safe place for all.**
