* The Ontario Chiropractic Association (OCA) is proud to support, promote and advocate for our members for over 90 years. After a decade of no increases to annual membership fees, there will be a small increase to our fees for full-time and part-time members for 2021-2022.

** The Marketing Levy is a pool of funds used to promote the profession to the public. It was established by a membership vote in 1994.

*** OCA membership program for first-year graduates! Pay your annual membership fee or volunteer 20 hours with the OCA to get a free one-year membership and gain valuable professional volunteer experience.
